Profile

As a junior web developer, I'm taking my first steps into the exciting world of web development. I'm committed to honing my skills, learning from my peers and engaging in new experiences.

Professional Experience

- 2024/05 - 2024/06** **Intern, Up Network Maroc** 
Tetouan, Morocco I collaborated with my teammates to develop a web application for print shop management.
- 2023/07 - 2023/08** **Intern, Devinweb** 
Tetouan, Morocco During this internship, my mission was to develop a customized quotation calculation function within ERPNext.
- 2023/03** **Intern, IKER.MA** 
Tetouan, Morocco I collaborated with a colleague on a school management web application, designing an intuitive and functional interface. This experience strengthened my ability to collaborate, solve problems and achieve common goals.

Education

- 2023 - 2024** **Professional Bachelor's degree in Software and Web Development, École Normale Supérieure** 
Tetouan, Morocco
- 2021 - 2023** **Technician Specialist, Full-Stack web development, Institute specialising in offshoring professions** 
Tetouan, Morocco
- 2020 - 2021** **Baccalaureate in physics, AL IMAM AL GHAZALI high school**
Tetouan, Morocco
